

Delivery and Shipping policy with logistic partner name and TAT (Turn Around Time)

Products ordered through website for delivery within India are shipped through our courier partner as selected by customers via website account with New Point Cards and Printers Private Limited if the delivery service to the destination is available. In absence of courier service to the desired location, the products are shipped as per discretion of New Point Cards and Printers Private Limited after communicating with the customer.

The shipping time mentioned anywhere on the website are approximate and we can not guarantee them. Customers are recommended to place an order early on if they have a deadline to meet.

Apart from the shipping time, the printing also need time for production, which varies from 15 days to 20 days depending on the production requirement and quantity ordered.
